

VINEYARD HARVESTER BIBLE COLLEGE
APOSTOLIC STRATEGIES AFFECTING NATIONS

COURSE SYLLABUS:

Term:

Instructor: Ms. Janice M. Johnson

COURSE DESCRIPTION:

The clear, clarion call for “All Saints Activation and Mobilization” has been issued in heaven and has been heard on the earth by the prophetic ear of the Church. The proclamation of the new advance is being issued in every area of the global Church and the Spirit is stirring the battalions into action. At the very core of this shift of operational power in the Church, is the unveiling of **Apostolic Strategy** which is the resource which gives momentum and breakthrough power to succeed in this next phase of advancement-glory for the Kingdom of God on earth.

Apostolic Strategies Affecting Nations is a hands-on course that will respond to heaven’s clarion call by developing a strategic plan and implementation proposal for CLCC and the Vineyard Harvester Network of Churches to accommodate All Saints Activation and Mobilization.

It is understood that this profoundly changing manifestation of the Church in the earth will, in the deepest way, affect how the world views or understands Christ and what His significance is to all of Mankind.

DESCRIPTION OF REQUIRED ACTIVITIES:

Active Discussion: This course will include many moments of discovery, in not only the Ministry of Apostles as a body of knowledge, but about ourselves as adult learners and maturing Christians. Thus, time will be given in each class to celebrate openly with one another, revelation knowledge gleaned and obtained from study and the lectures, as this is covenant. As well, before each class session you will be expected to read 2-4 chapters from both required reading texts and to complete one reaction paper every two weeks from either of the readings, totaling four for the Term, two from each book.

Reaction Papers: Part of any adult learning course is to help you become **life long learners**. To assist you in this endeavor, 2 reaction papers have been assigned to help you begin to put your thoughts into the kind of writing that is expected of Christian leaders in the 21st Century. The reaction paper will be in response to readings everyone in class will be doing at the same time. Try to limit your reaction paper to no more than two, double spaced, type written pages. Your Reaction Paper should contain: **1) a brief summary of the central points of the readings, 2) an evaluation of those points according to your own experiences and, 3) an application of the ideas to real life challenges or situations.**
